PLEASE NOTE THAT CONDIMENTS ALSO CONTAIN ALLERGENS. PLEASE CHECK WITH YOUR SERVER IF YOU HAVE AN ALLERGY, BEFORE ADDING CONDIMENTS TO YOUR MEAL.

We recommend that guests with severe food allergies choose a complete dish from this allergen menu so they can check it does not contain the relevant allergens. If ordering by app, those with severe allergies are also advised to place their order separately, and to choose the relevant allergen on the app. We will then do our best to avoid cross-contamination for this dish.

All food is prepared in a kitchen which handles allergens. We do our best to reduce the risk of cross-contamination and provide allergen and cooking information so that customers can make their own decision about what dish to eat. We cannot guarantee that any of our dishes are free from allergens. Certain cooking methods (for example deep frying or grilling) may result in exposure to allergens from other dishes cooked using the same method and may therefore not be suitable for people with allergies.
